The Impact of Alumni Management System

Alumni management system is a software platform or database specifically designed to facilitate and streamline the management and engagement of alumni for educational institutions. It serves as a centralized platform for collecting, storing, and organizing alumni data, as well as for coordinating various activities and interactions with alumni.

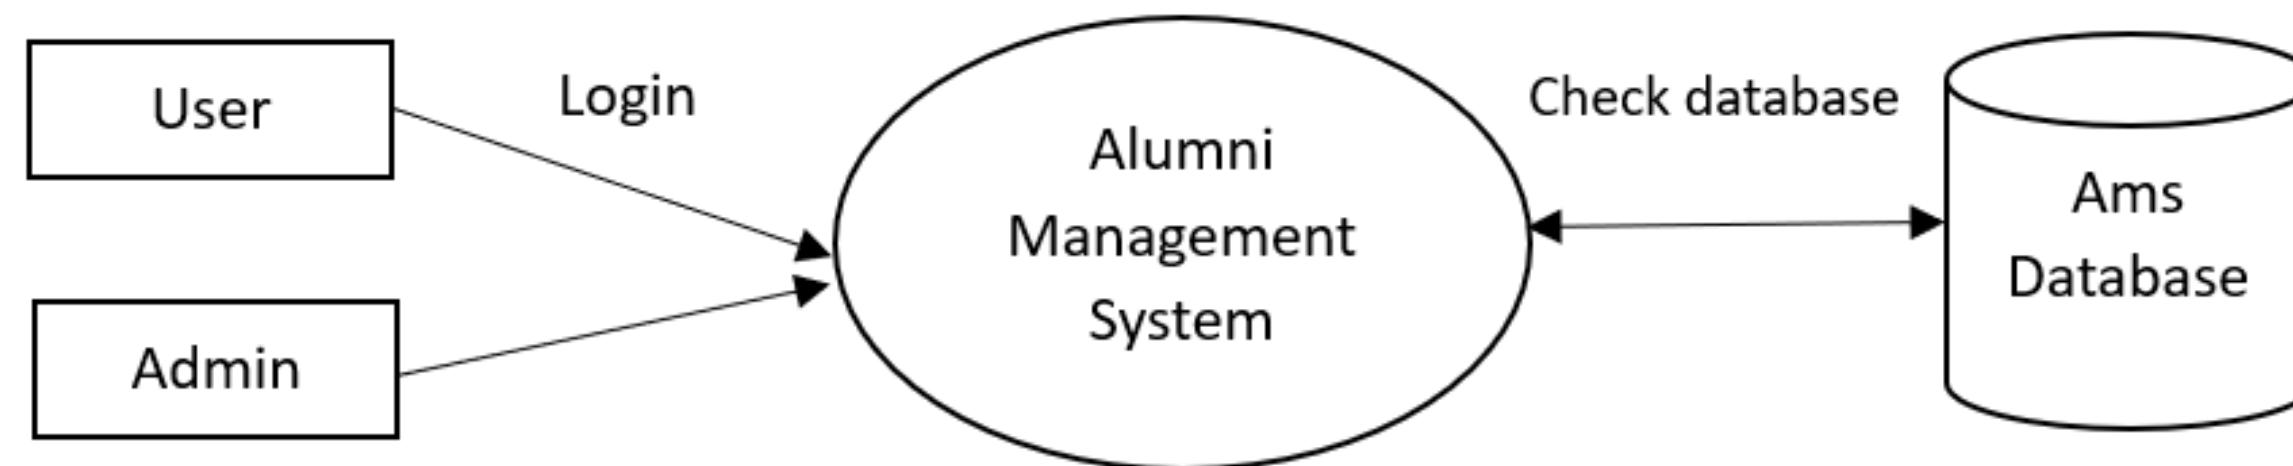

Proposed Model

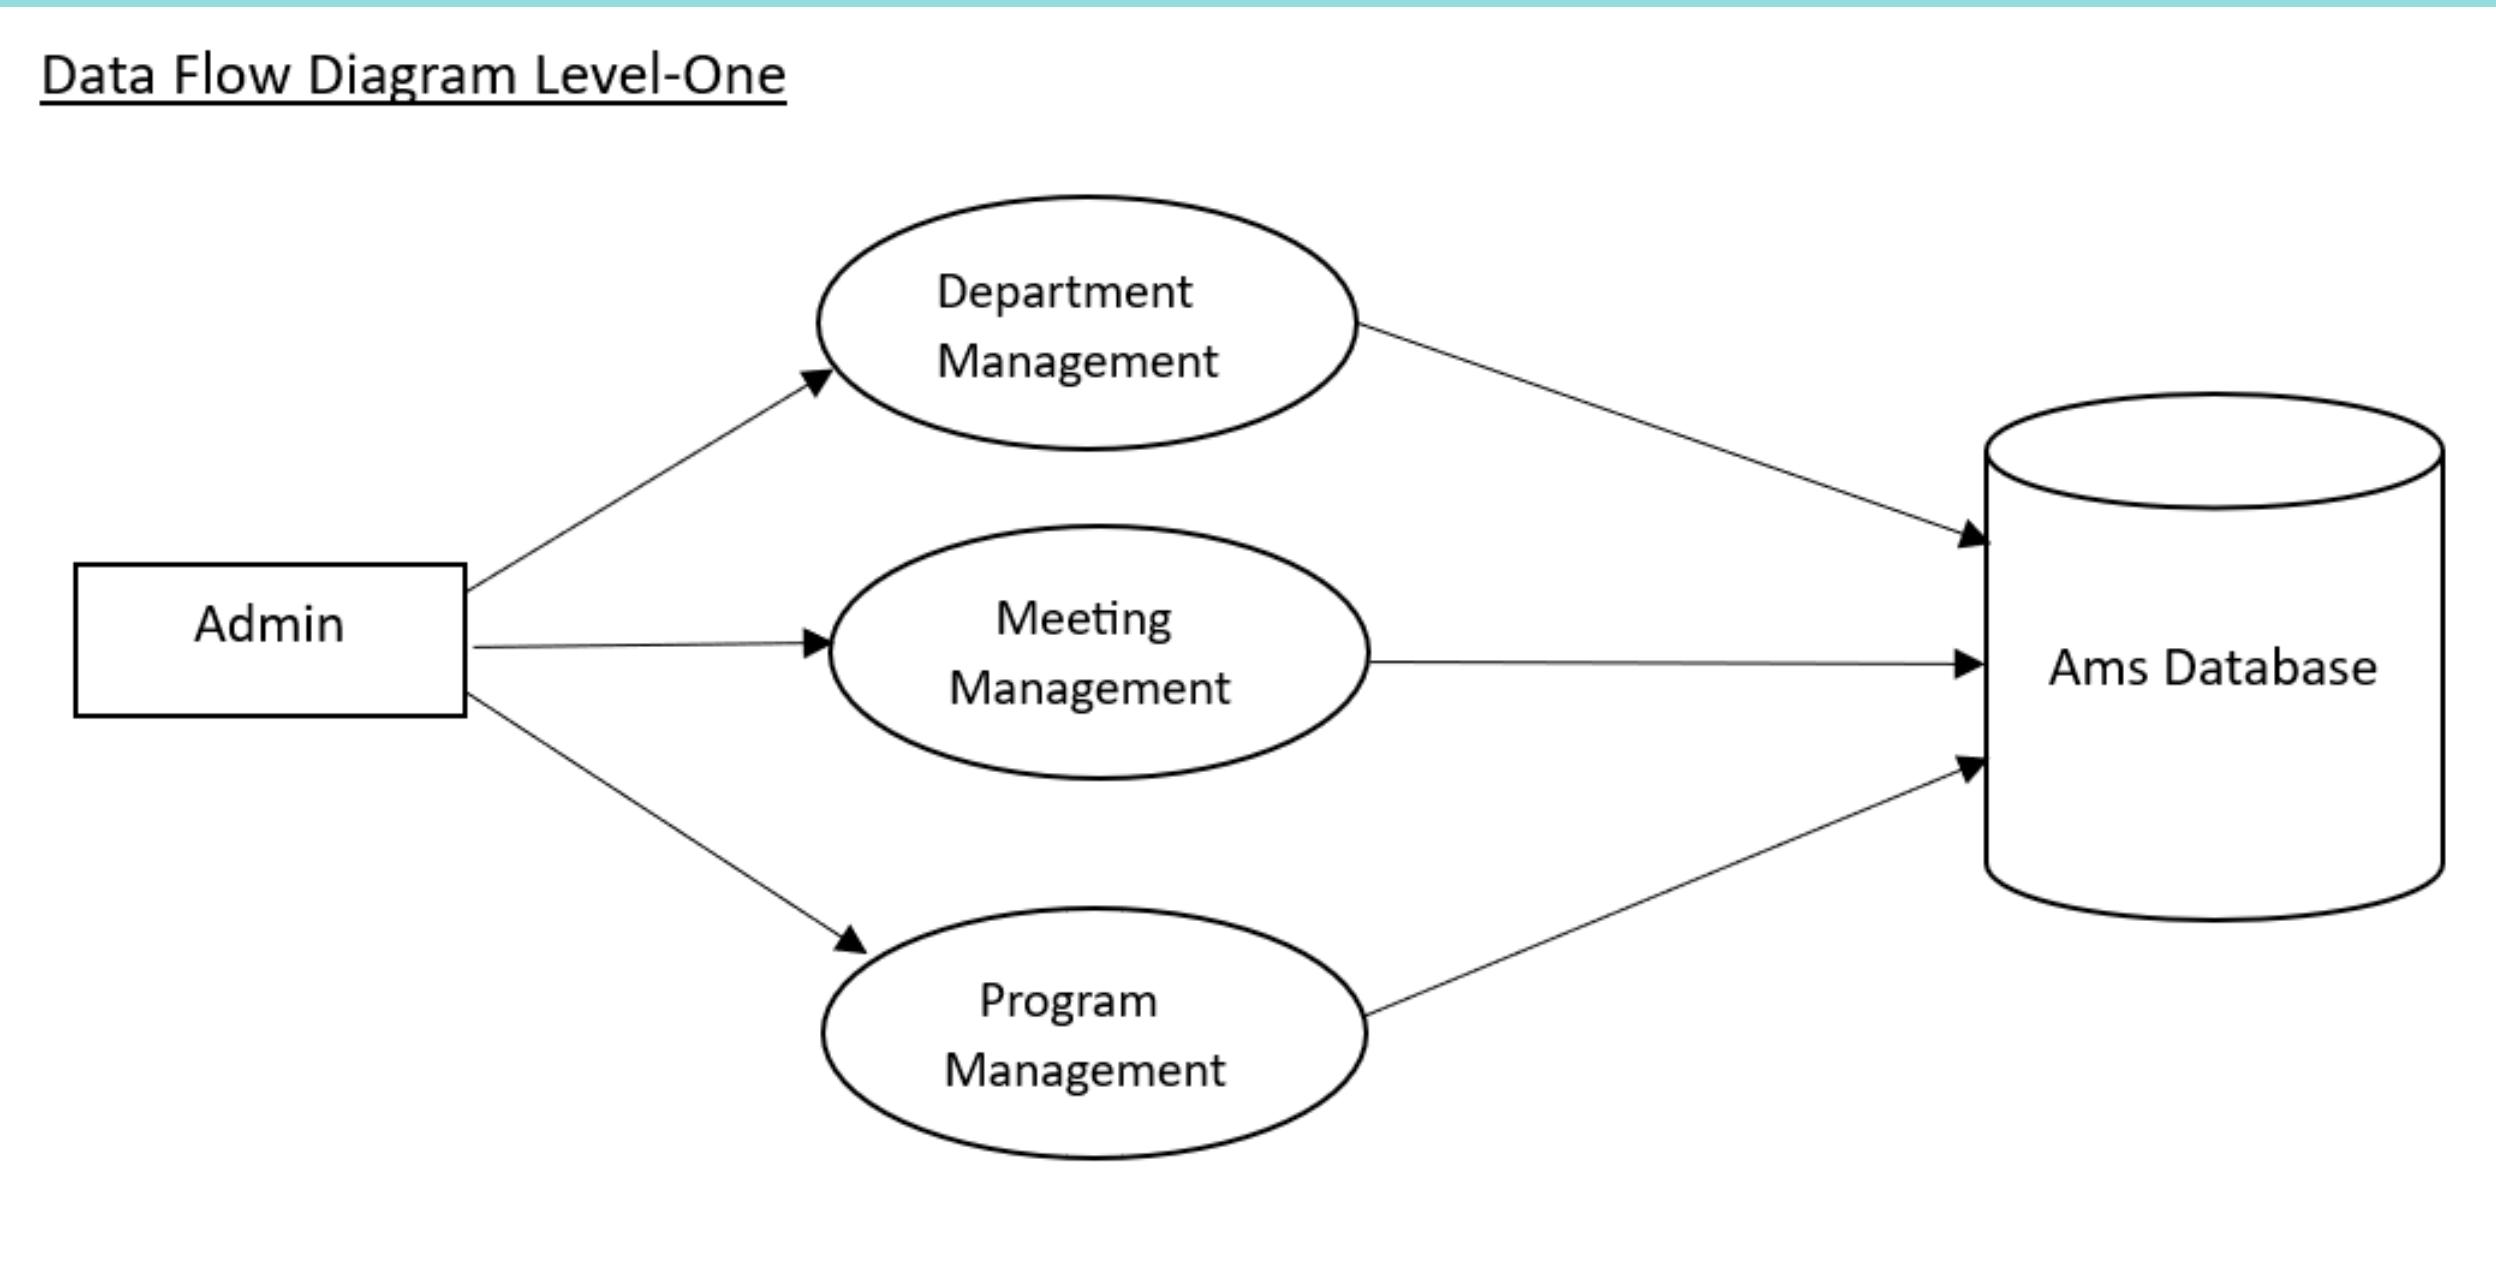

- Secure Alumni Database: A centralized and secure database stores alumni information for efficient management and authorized access.
- Efficient Data Entry: Users can easily update alumni information, ensuring an up-to-date and accurate database.
- Streamlined Event Management: The system offers a simple event management feature for planning alumni events, with essential RSVP and registration functionalities.
- Administrative Control: The system empowers admins to add and manage event details, meeting details, department information, and gallery, enhancing organization and control over important content and resources.
- User Profile Management: Users have full control over their profiles, including the ability to edit personal information, update passwords, and manage account details, ensuring flexibility and privacy.
- Coming Soon: More Exciting Features Await! Stay tuned for updates as we continue to enhance your alumni management experience.

Data Flow Diagram Level-Two

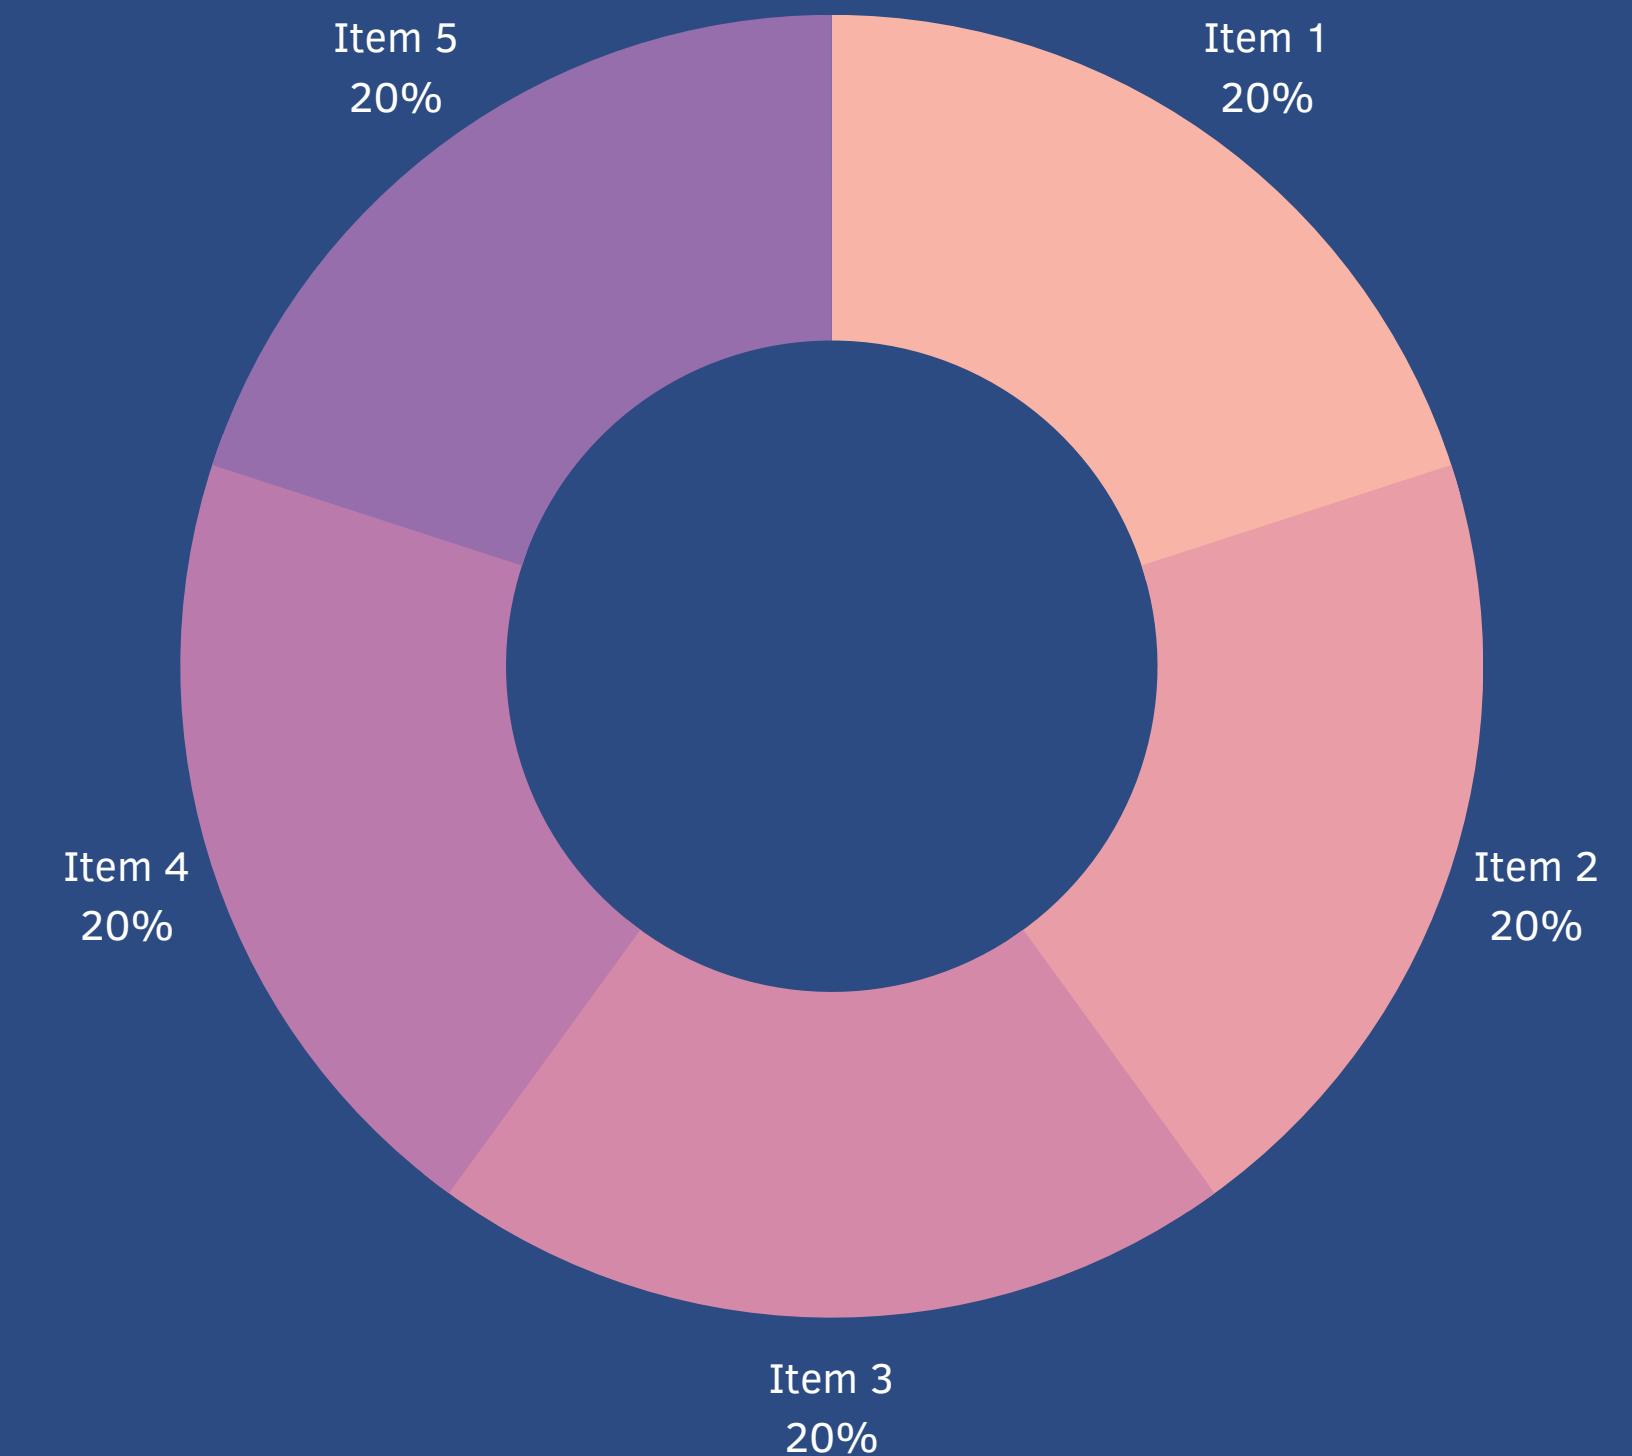

Project Structure:

- The project utilizes PHP and MySQL for development.
- Pages can be accessed by typing the file address with a .php extension.
- The index page serves as the main entry point.

User Section:

1. Users can access a login section.
2. Users can register to create an account.
3. Account registration enables access to user-specific features and functionalities.

Admin Section:

1. An admin login section is available.
2. Admins can perform administrative tasks and manage the system.
3. Admins have special privileges and access to advanced functionalities.

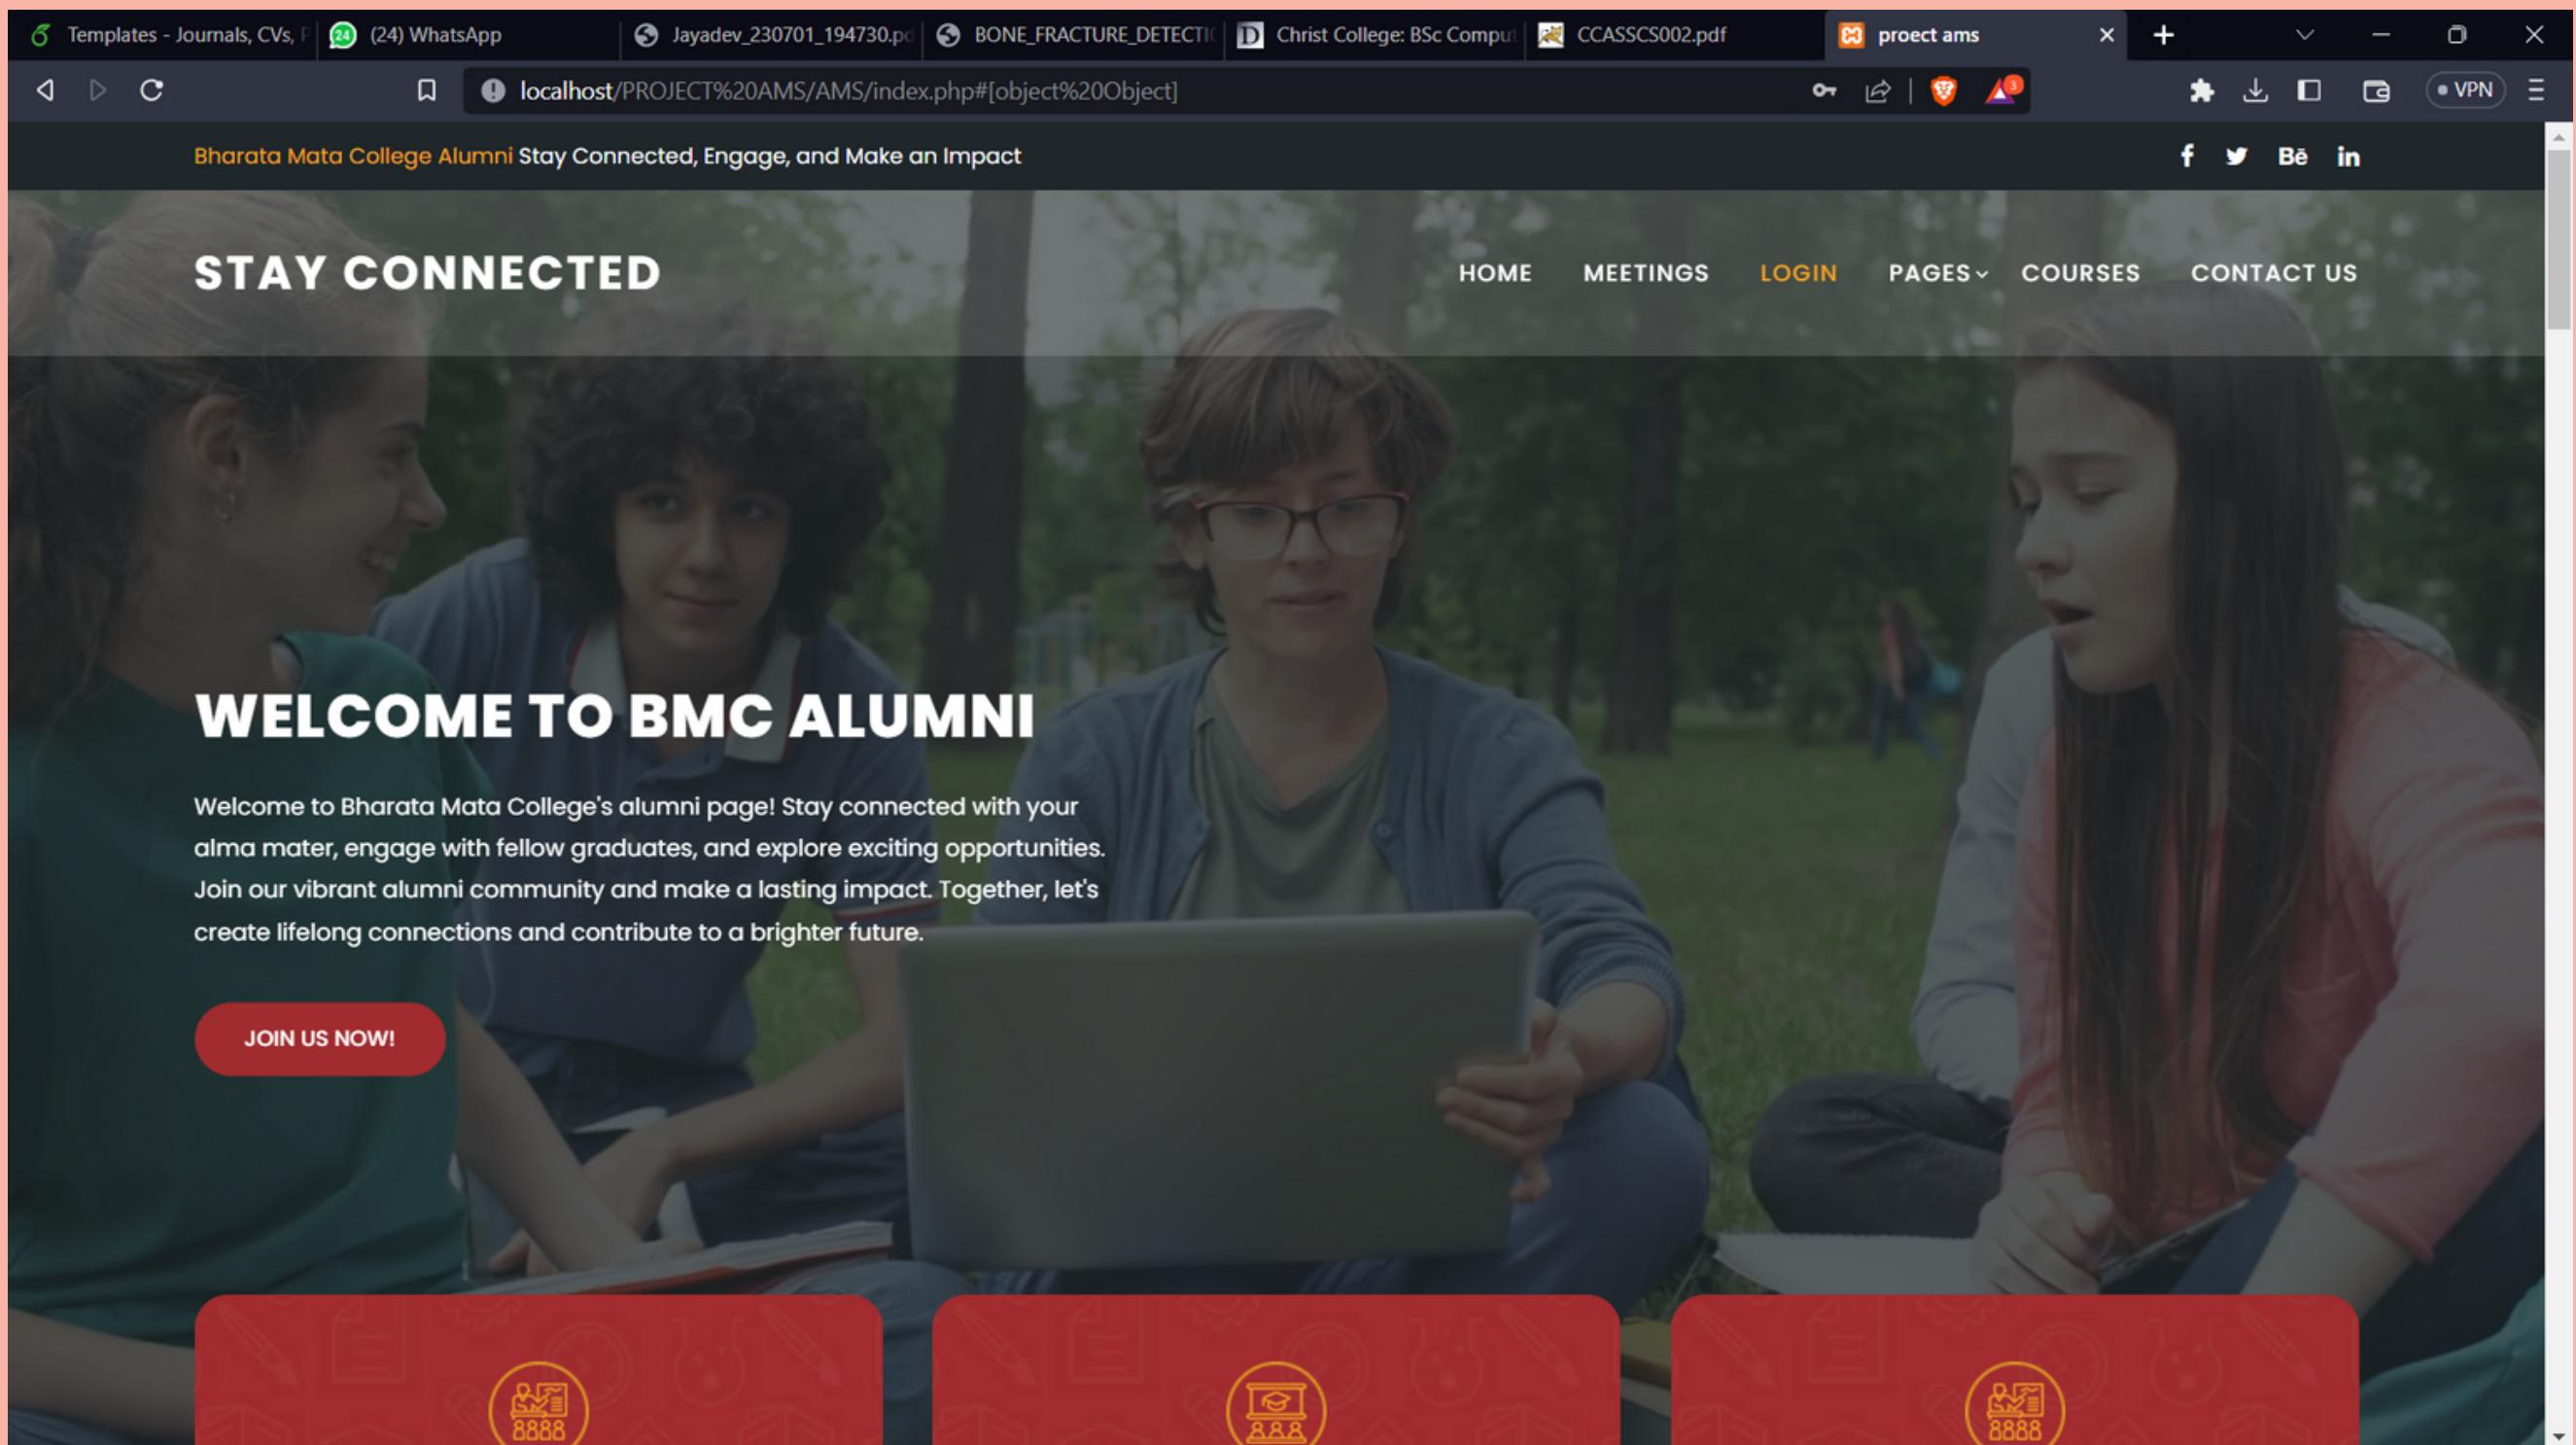

User Level Section:

1. Users can access a dedicated section based on their user level.
2. User level sections offer personalized content, features, and interactions.
3. User level sections provide a tailored experience based on user roles and permissions.

INDEX PAGE

search

Login Section:

Admin Section :

The screenshot shows a web browser window with the URL `localhost/PROJECT%20AMS/AMS/adminmeet.php`. The page title is "Bharata Mata College Alumni Stay Connected, Engage, and Make an Impact". The main header features a dark background with white text: "STAY CONNECTED" on the left, and "HOME", "MEETINGS", "DEPARTMENT", "PROGRAMMES", "GALLERY", and "LOGOUT" on the right. Below the header is a large, semi-transparent image of several people sitting outdoors, looking at a laptop together. Overlaid on this image is a form titled "ADD NEW MEETING". The form fields are as follows:

- Meeting Name:
- Meeting Description:
- Meeting Date: dd-mm-yyyy
- Meeting Time: --:--
- Meeting Booking:
- Meeting Cordinator:
- Meeting Cordinator Mobile:

At the bottom left of the form is a red "ADD" button.

Meeting Edit Section:

The screenshot shows a web browser window with the URL `localhost/PROJECT%20AMS/AMS/adminmeetedit.php?mid=1`. The page is titled "Bharata Mata College Alumni Stay Connected, Engage, and Make an Impact". The main content area features a large banner image of students sitting outdoors. Overlaid on the banner is the word "STAY CONNECTED" in white capital letters. Below the banner, the word "MEETINGS" is displayed in large white capital letters. A table lists various meetings with columns for Meeting ID, Meeting Head, Description, Date, Time, Booking, Coordinator Name, and Coordinator Mobile. The first row, which has "reunion" as the Meeting Head and "alumni" as the Description, is highlighted with a light blue background and has its "Meeting Time" field set to "18:18".

MEETING ID	MEETING HEAD	MEETING DESCRIPTION	MEETING DATE	MEETING TIME	MEETING BOOKING	MEETING CORDINATOR NAME	MEETING MOBILE

User Home :

The screenshot shows a web browser window with the URL `localhost/PROJECT%20AMS/AMS/userhome.php`. The page title is "Bharata Mata College Alumni Stay Connected, Engage, and Make an Impact". The main header features a large image of four students (three boys and one girl) sitting outdoors, looking at a laptop together. Overlaid on the image are the words "STAY CONNECTED" in white, bold, uppercase letters and "WELCOME TO ALUMNI" in large, bold, white, uppercase letters. Below these, a smaller text message reads: "Welcome to Bharata Mata College's alumni page! Stay connected with your alma mater, engage with fellow graduates, and explore exciting opportunities. Join our vibrant alumni community and make a lasting impact. Together, let's create lifelong connections and contribute to a brighter future." A red button labeled "JOIN US NOW!" is visible. At the top right, there are social media links for Facebook, Twitter, LinkedIn, and Be. The top navigation bar includes links for "HOME", "MEETINGS", "USER", and "LOGOUT". The bottom of the page has a decorative footer bar with three red sections featuring icons related to education and connectivity.

Meeting Interface :

The screenshot shows a web application interface titled "STAY CONNECTED" at the top left. At the top right, there are navigation links: HOME, MEETINGS, USER, and LOGOUT. A red button labeled "ALL MEETINGS" is positioned in the center of the page. Below it, a small image shows people in a meeting room. To the right of the image is a navigation bar with buttons labeled 1, 2, 3, and >. A white callout box in the bottom-left corner displays the date "2023-07-05" and the identifier "dgc". The background of the page features a repeating pattern of school-related icons like books, pencils, and gears.

Meeting Details :

A screenshot of a web browser window displaying a meeting details page. The URL in the address bar is `localhost/PROJECT%20AMS/AMS/usermeetdetail.php?mid=6`. The browser interface includes standard navigation buttons (back, forward, search) and a toolbar with icons for file operations and VPN.

The main content area features a header "STAY CONNECTED" and a navigation menu with links to HOME, MEETINGS, USER, and LOGOUT. Below the header is a large, blurred photograph of a person's hands writing in a notebook during a meeting.

Two text entries are displayed:

- dgf;**
- rrgfg**

A table provides meeting details:

Date	Hours	Book Now
2023-07-05	18:21	34r34r43

At the bottom left, a link `localhost/PROJECT AMS/AMS/index.php` is visible.

User Profile :

The screenshot shows a web browser window with the URL `localhost/PROJECT%20AMS/AMS/userprofile.php` in the address bar. The page title is "Bharata Mata College Alumni Stay Connected, Engage, and Make an Impact". The main content area features a background image of several people sitting outdoors, looking at a laptop screen. Overlaid on this image is a "STAY CONNECTED" banner and an "ALUMNI PROFILE" section. The profile information is as follows:

ALUMNI PROFILE	
Name	Rahul
Email	rahulvisagh@gmail.com
Mobile Number	4444
Username	rahul
Programme	1
Year	2023
organisation	vvv
designation	rr

At the bottom left of the profile section is a red "EDIT" button.

The top right corner of the image contains a large, stylized search bar with the word "search" and a magnifying glass icon.

Many More TO
Come :-)

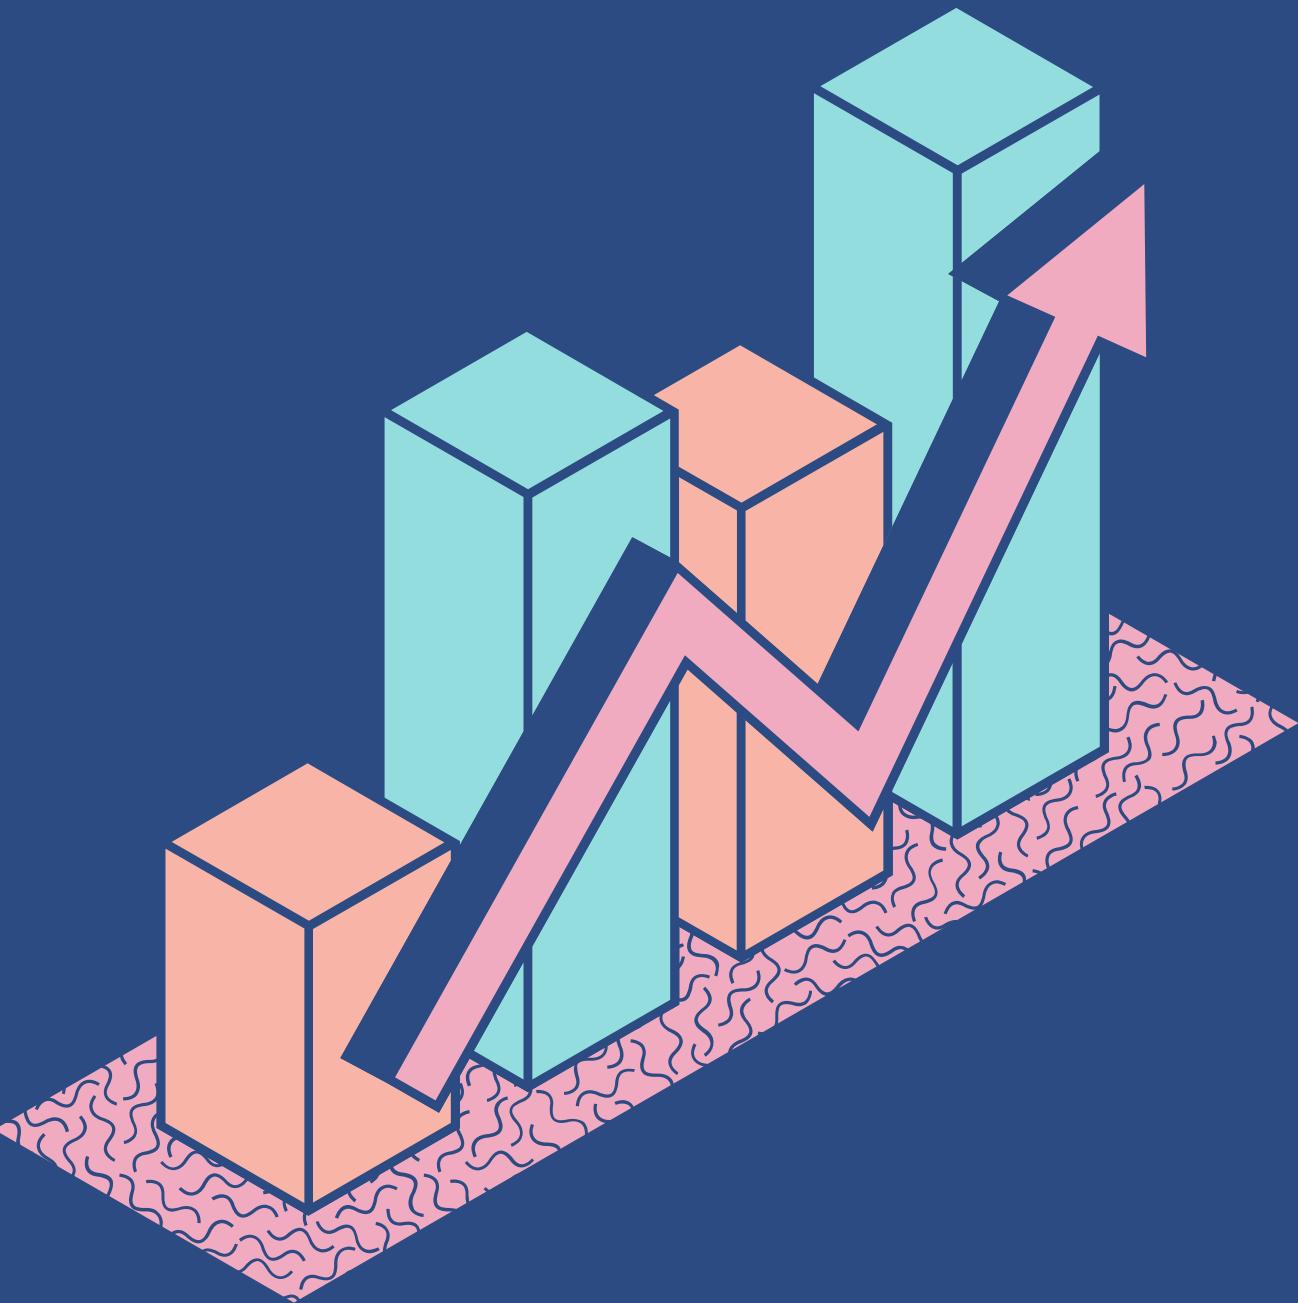

Let Me Conclude :AMS

- Empowers educational institutions to build strong relationships with alumni.
- Leverages technology to streamline data management and communication.
- Facilitates ongoing engagement, networking, and support for alumni.
- Creates a vibrant alumni network for the institution.
- Contributes to the overall success and growth of the educational institution.

Future Scope

;-)

Future Will Come :

AI Chatbot Integration:

Explore the integration of an AI-powered chatbot into the alumni management system to provide instant assistance, answer queries, and facilitate personalized interactions with alumni.

Enhanced Gallery:

Expand the gallery section to allow alumni to showcase their achievements, experiences, and memories through multimedia content, fostering a sense of community and pride among graduates.

Robust Mentoring:

Develop a dedicated mentoring section where alumni can offer mentorship to current students, providing guidance, career advice, and industry insights to support their professional growth.

Job Opportunity Section:

Create a job opportunity section that connects alumni with employment opportunities, internships, and career development resources, facilitating career advancement for graduates.

Discussion Forums:

Implement discussion forums where alumni can engage in meaningful conversations, share knowledge, seek advice, and collaborate on relevant topics, fostering a sense of community and continuous learning.

Alumni Donations:

Introduce an alumni donations section where graduates can contribute to the institution's initiatives, scholarships, research projects, and infrastructure development, enabling alumni to give back and support the institution's growth.

**TO BE
CONTINUED**

OH MY GOD

THANKYOU!!
